The screenshot shows a web editor window titled 'Untitled1* - Dr.Explain () - [Untitled1]'. The main content area is labeled 'Client area' and contains a software interface for 'Coolmuster iPhone Backup Extractor'. The interface has a green header with the logo and navigation links (Home, Help, Register). Below the header, there is a text prompt: 'Select an iTunes backup file of your iOS device below to scan.' This is followed by a table with three columns: 'Device Name', 'Backup Date', and 'Serial Number'. The table is currently empty. At the bottom of the interface, there is a 'Start Scan' button and a note: 'If your iOS device is not listed here, it may be because iTunes has not made backup for the device.' The editor's left sidebar shows a 'Table of Contents' with items like '1. First topic', '1.1. First subtopic', '2. Second topic', and 'A topic without number'. The status bar at the bottom left says 'Ready' and the bottom right says 'NUM'.
